

Summer Australia 2022 + Fiji: Ecotourism and Sustainability 2022

The following information is provided only as an estimate of costs associated with this particular study abroad program offered through Discover Abroad with the University of Georgia.

A nonrefundable commitment deposit of \$300 for each program (paid toward the program fees for those programs, totaling \$600) will be required after you are accepted into each program, due within one week of acceptance. The remainder of the program fees, along with your full UGA Summer tuition and UGA fees, will be billed to your UGA student account after registration, and the total is due to be paid in-full no later than **May 21, 2021**.

Program fee: \$3890 (\$2995 + \$895)

The program fee includes accommodations, international health insurance, in-country ground transportation, and roughly 85% of meals. The program fee also includes unique activities such as snorkeling in the Great Barrier Reef, guided hikes, a village homestay, and more. The program fee does not include UGA tuition and fees, course materials, or airfare.

Tuition and UGA fees: \$3482

This is the amount charged to undergraduate students through the University of Georgia who register for only the courses associated with the Maymester and Fiji programs for the entirety of Summer 2022. Students who register to take additional courses at UGA (including additional Discover Abroad programs) or students who are part of a graduate or professional program will be assessed additional tuition and fees. This cost represents a savings for both in-state (\$330 savings) and out-of-state (\$6045 savings) students. Non-UGA students who apply for admission as a study abroad transient student for Summer 2022 will pay a \$75 application fee and an additional \$250 fee if their home institution is not within the SEC or USG network.

Group Airfare: ~\$1800-\$2100 (plus cost of flight from originating airport to LAX or SFO and return)

This cost includes optional round-trip airfare arranged by Discover Abroad from Los Angeles (LAX) or San Francisco (SFO) and throughout Australia and Fiji. Students who utilize this option are responsible for arranging transportation to and from Los Angeles or San Francisco, at additional cost. Students may opt to procure their own international and domestic flight package, for which costs may vary significantly.

Personal spending: ~\$300

To account for meals not included in the program fee as well as money for personal necessities including laundry and Wi-Fi, we recommend \$10 per day. Other optional personal activities not provided as part of the program fee are all additional costs such as scuba diving (~AU\$180 for a discover dive and ~AU\$120 if PADI certified, with equipment included), Sydney bridge walk (~AU\$280), bungee jumping (~NZ\$270), etc. Please note that these optional personal activities are not covered under the international health insurance purchased by Discover Abroad on behalf of students. Discover Abroad does specifically condone activities outside of the program itinerary.
