Spring Semester Hawai'i, Australia, New Zealand, Fiji 2025

The following information is provided only as an estimate of costs associated with this particular study abroad program offered through Discover Abroad with the University of Georgia.

A nonrefundable commitment deposit of \$500 (paid toward the program fee) will be required after you are accepted into the program, due within one week of acceptance. The remainder of the program fee, along with your full UGA Fall tuition and UGA fees, will be billed to your UGA student account after registration, and the total is due to be paid in-full no later than January 11, 2025

Program fee: \$8395

The program fee includes accommodations, international health insurance, in-country ground transportation, and roughly 70% of meals. The program fee also includes unique activities such as stargazing on Mauna Loa, snorkeling in the Great Barrier Reef, guided hikes, and more. The program fee does not include UGA tuition and fees, course materials, or airfare.

Tuition and UGA fees: [~\\$4895 for 15 credits](#)

All students (in-state, OOS, and non-UGA) pay in-state tuition for study abroad at UGA. HOPE and Zell apply to those who are eligible. Non-UGA students who apply for admission as a study abroad transient student will pay a \$75 application fee and an additional \$250 fee if their home institution is not within the SEC or USG network.

Group Airfare: ~\$2700

This cost includes optional round-trip airfare arranged by Discover Abroad from Honolulu (HNL) and throughout Hawai'i, New Zealand, Australia, and Fiji, ending in Los Angeles (LAX). Students who utilize this option are responsible for arranging transportation to Hawai'i and from LAX, at additional cost. Students may opt to procure their own international and domestic flight package, for which costs may vary significantly.

Course materials: ~\$75

Personal spending: ~\$750

To account for meals not included in the program fee as well as money for personal necessities including laundry and Wi-Fi, we recommend \$10 – 20 per day. Other optional personal activities not provided as part of the program fee are all additional costs such as scuba diving (~AU\$180 for a discover dive and ~AU\$120 if PADI certified, with equipment included), Sydney bridge walk (~AU\$280), bungee jumping (~NZ\$270), etc. Please note that these optional personal activities may not be covered under the international health insurance purchased by Discover Abroad on behalf of students. Discover Abroad does not specifically condone activities outside of the program itinerary.
