Discover Abroad

Winter Break Australia 2024-2025

The following information is provided only as an estimate of costs associated with this particular study abroad program offered through Discover Abroad with the University of Georgia.

A nonrefundable commitment deposit of \$300 (paid toward the program fee) will be required after you are accepted into the program, due within one week of acceptance. The remainder of the program fee, along with your full UGA Fall tuition and UGA fees, will be billed to your UGA student account after registration, and the total is due to be paid in-full no later than December 16, 2024.

Program fee: \$3295

The program fee includes all accommodations, international health insurance, in-country ground transportation, and roughly 75% of meals. The program fee also includes unique activities such as snorkeling in the Great Barrier Reef, guided hikes, National Park visits, and more. The program fee does not include UGA tuition and fees, course materials, or airfare.

Tuition and UGA fees: \$0*

For undergraduate students already planning to take a full course load (over 6 credit hours) at UGA during the Spring Semester, the additional cost in UGA tuition and fees for adding this program is \$0. *All other students should check UGA's admissions website and/or UGA Financial Aid Office for detailed tuition costs. All non-UGA students who apply for admission as a study abroad transient student for Spring will pay a \$75 application fee and an additional \$250 fee if their home institution is not within the SEC or USG networks.

Group Airfare: ~\$2850 (plus cost of flight from originating airport to LAX and return)

This cost includes optional round-trip airfare arranged by Discover Abroad from Los Angeles (LAX) and throughout Australia. All students who utilize this option are responsible for arranging transportation to and from Los Angeles, at additional cost. Students may opt to procure their own international and domestic flight package, for which costs may vary significantly.

Course materials: ~\$75

Personal spending: ~\$250

To account for meals not included in the program fee as well as money for personal necessities including laundry and Wi-Fi, we recommend ~\$10-20 per day. Other optional personal activities not provided as part of the program fee are all additional costs. These may include scuba diving (~AU\$180 for a discover dive and ~AU\$120 if PADI certified, with equipment included), Sydney bridge walk (~AU\$280), etc. Please note that these optional personal activities are not covered under the international health insurance purchased by Discover Abroad on behalf of students. Discover Abroad does not specifically condone activities outside of the program itinerary.
